

Richiamo alla natura, atmosfera esotica e senso di benessere, sono queste le sensazioni che trasmette la linea "Acquarium" proposta in esclusiva dalla New Time.

Il suo design ultra sottile permette di posizionare a parete il bellissimo e colorato mondo oceanico. Il prodotto esprime nello stesso tempo eleganza e un forte carattere grazie alle diverse forme e colori delle sue montature, create in alluminio leggero con particolari e ricercate finiture.

Inoltre, in maniera speciale, la linea Mini, ideale per le stanze dei più piccoli, per sviluppare l'immaginazione e l'amore per gli animali.

Nature appeal, exotic atmosphere, sense of well being.. these are the sensations that the "Acquarium" series diffuse, exclusively proposed by the Company "NEWTIME".

For its very subtle design the "Acquarium" is suitable for wall positioning so to create a beautiful and colourful Ocean World.

The product expresses elegance and strong character at the same time thanks to the different shapes and colours on frames, designed in light aluminium with particular and fancy finishings.

Moreover, the "Mini-Aquarium" series is especially ideal for the kids'rooms so to develop their imagination and love for animals.
